FOREWORD

■ AS A REMEMBRANCE OF THE HAPPY DAYS SPENT BY US IN THE BELLEVILLE TOWNSHIP HIGH SCHOOL, WE, THE CLASS OF '36 PRESENT THIS BOOK, TO THE MEMBERS OF THE STUDENT BODY AND TO OUR FRIENDS WHO MAY FIND PLEASURE IN READING ITS PAGES. THIS VOLUME CONTAINS PICTURES AND DESCRIPTIONS OF THE SCHOLASTIC, ATHLETIC AND SOCIAL ACTIVITIES OF OUR HIGH SCHOOL LIFE.

■ FOR THOSE OF US WHO ARE NOW LEAVING BEHIND FOUR OF THE GREATEST YEARS OF OUR LIVES, MAY THIS BOOK SERVE AS A REMINDER, AND FOR THOSE WHO STILL HAVE SIMILAR DAYS AHEAD OF THEM, MAY THIS, OUR EFFORT, PROVE AN INSPIRATION IN THEIR WORK.

MR. O. H. CROSS

DEDICATION

■ TO MR. O. H. CROSS OF THE BIOLOGY DEPARTMENT, THE CLASS OF '36 AFFECTIONATELY DEDICATE THIS TWENTIETH VOLUME OF THE BELLEVINOIS. MR. CROSS CONTACTS FRESHMEN, AS A TEACHER AND AS FRESHMAN BOYS' ADVISOR. IT IS HERE THROUGH HIS UNDERSTANDING AND GENIAL DISPOSITION THAT HE WINS A PLACE IN THEIR HEARTS WHICH LASTS THROUGH THE FOUR YEARS.

THE AUDITORIUM

CAMPUS VIEWS

■ THE CLASS OF '36, AS WELL AS ALL CLASSES BEFORE AND CLASSES TO COME, IS PROUD OF ITS HIGH SCHOOL. THE VOTERS WHO SELECTED THE SITE FOR THE SCHOOL HAD FORETHOUGHT AND VISION. EACH BUILDING, EVEN THOUGH SOME HAVE BEEN ADDED AS THE NEED AROSE, FITS INTO THE PICTURE OF BEAUTY. ORIGINALLY, THERE WAS THE MAIN BUILDING WITH THE CAFETERIA AND SHOP BUILDING IN THE REAR. IN 1917 THE GYM WAS ADDED AND IN 1924 THE AUDITORIUM WITH A SEATING CAPACITY OF 1200 WAS BUILT. AS THE ENROLLMENT INCREASED THE NEED FOR A LIBRARY BUILDING WAS APPARENT. SO IN 1933 THE VOTERS AGAIN ANSWERED BY CONFIRMING THE BOND ISSUE. THE LIBRARY BUILDING WAS ADDED TO THE REAR OF THE AUDITORIUM AND NOW THROUGH FEDERAL AID A BOYS GYMNASIUM TO THE REAR OF THE PRESENT GYMNASIUM IS UNDER CONSTRUCTION. THUS WE

THE CAMPUS

HAVE SIX SEPARATE BUILDINGS, ALL OF SIMPLE,
BUT BEAUTIFUL AND HARMONIOUS ARCHITEC-
TURE, WITH LOVELY TREES, SHRUBS AND LAWNS.
WE CAN JUSTLY BE PROUD OF OUR SCHOOL AND
OFFER OUR CONGRATULATIONS TO THOSE PUB-
LIC SPIRITED CITIZENS WHO MADE THIS POSSIBLE.

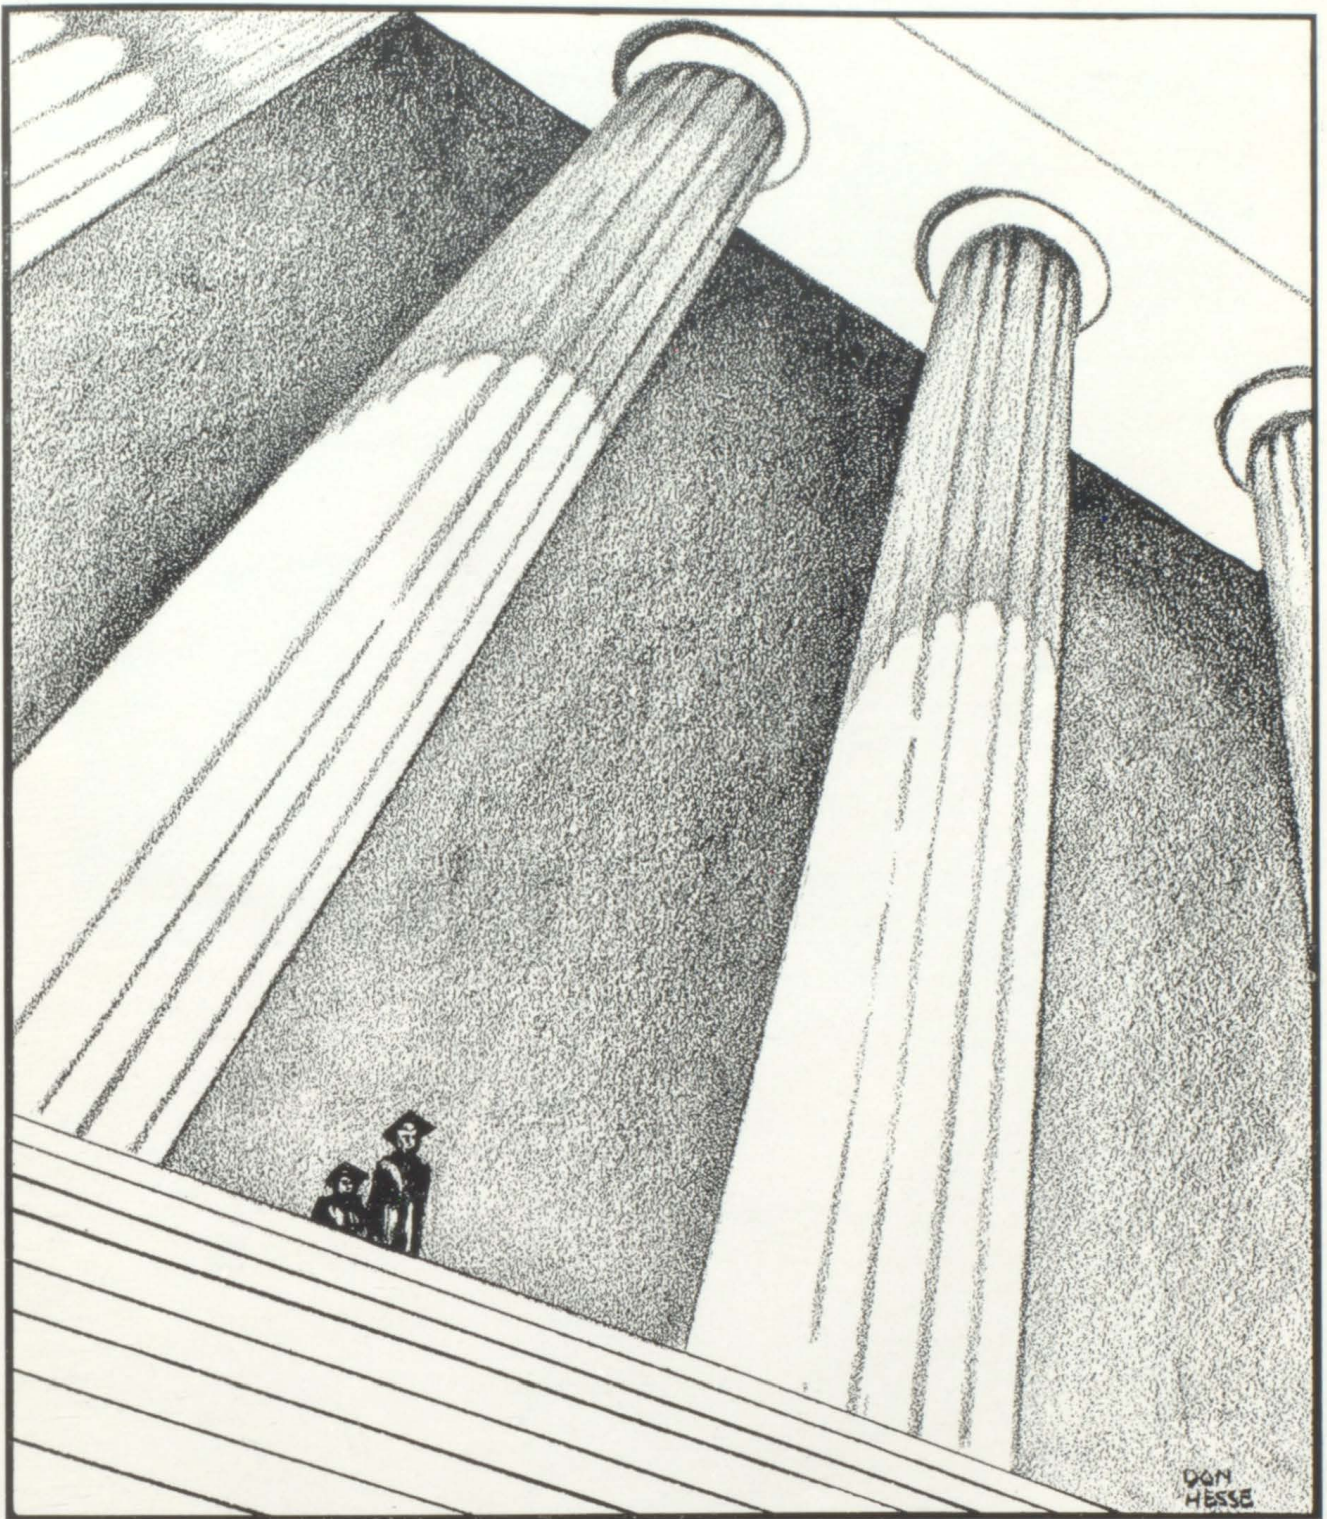

BOOK TWO

ADMINISTRATION

■ TURN WITH US THE PAGES
AND FOLLOW THOSE WHO
HAVE GUIDED OUR DESTI-
NIES FOR THE PAST FOUR
YEARS, HAVE GOVERNED US
—HAVE INSTRUCTED US IN
THE WAY OF KNOWLEDGE—

HAVE DISCIPLINED OUR
WEAKER, FOOLISH MOMENTS
—AND HAVE ASSOCIATED
WITH US IN ALL MANNER OF
ACTIVITIES. MAY PLEASANT
MEMORIES OF THE PAST AND
PRESENT EVER LINGER NEAR
OUR HEARTS.

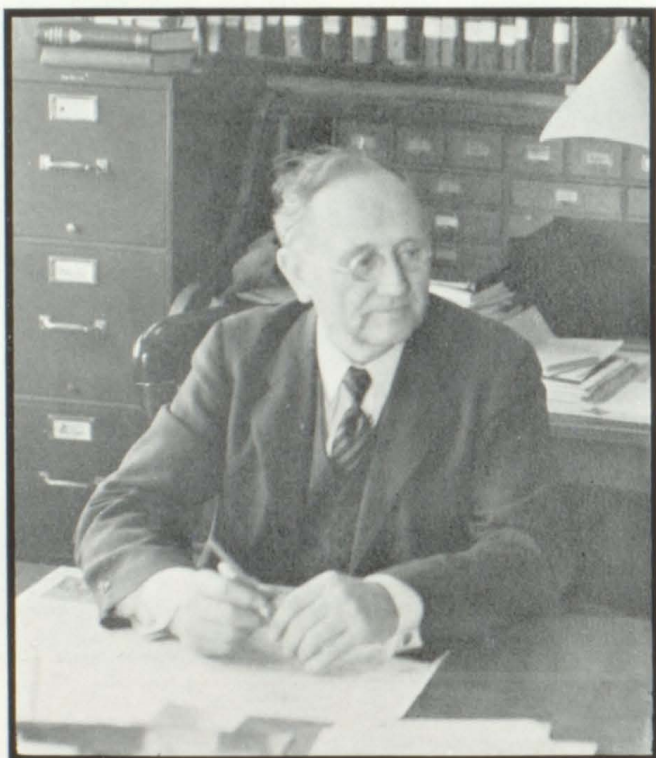

PRINCIPAL

INTEGRATION

■ ANY STUDENT MAY SAY, "I WANT TO INTEGRATE THE PHYSICAL, MENTAL AND MORAL ELEMENTS OF MY BEING INTO AN EFFICIENT AND EFFECTIVE HUMAN UNIT OF HUMAN SOCIETY.

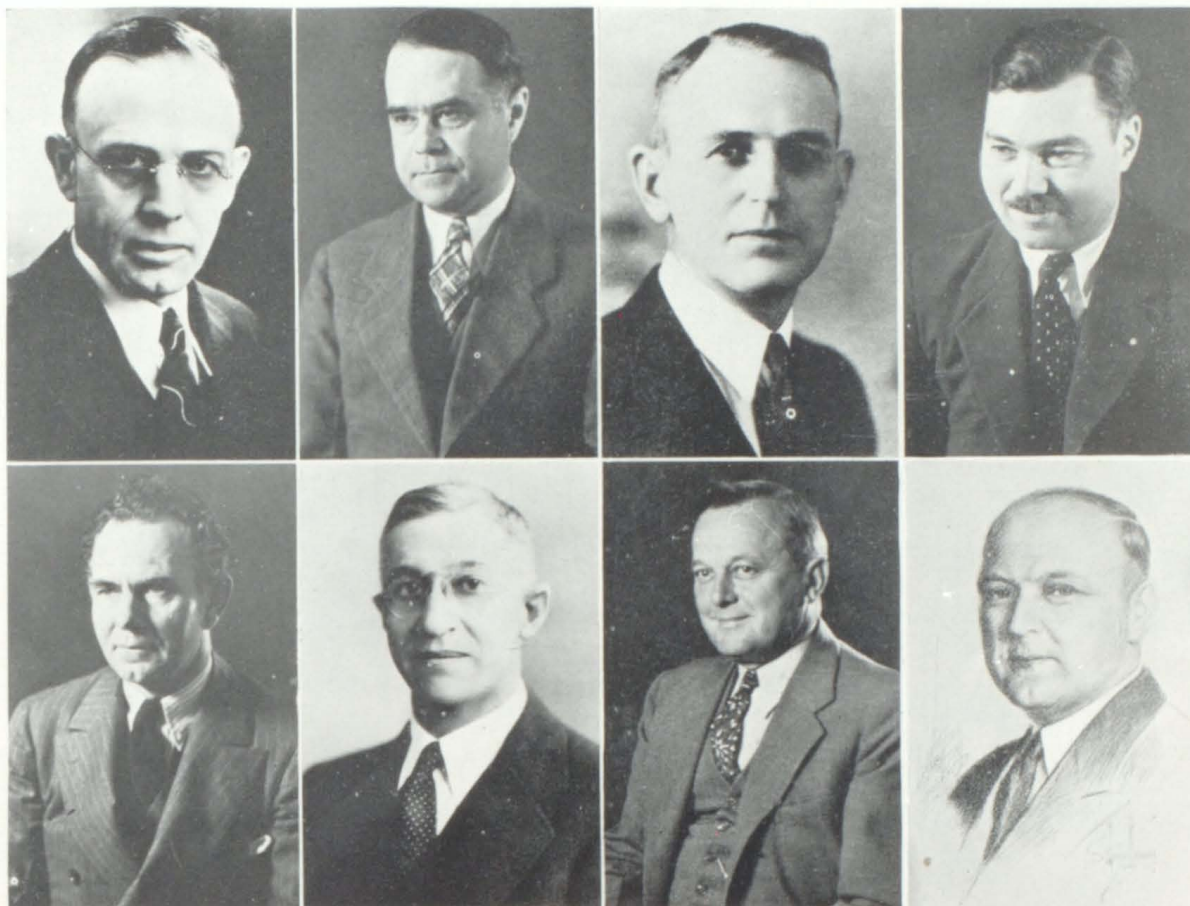

■ I HAVE OUR LIFE TO LIVE AND I WANT IT TO BE A HAPPY ONE; I HAVE ONE SERVICE TO GIVE AND THAT IS TO BE FULL AND FREE. THEREFORE, I WANT TO BE PHYSICALLY SOUND, AND TO DO SO I MUST GET IN HARMONY WITH THE LAWS OF NATURE—THE LAWS OF HEALTH. I MUST BE INTELLECTUALLY EQUIPPED WITH A MIND TRAINED TO THINK CRITICALLY, EMOTIONS NORMAL, AND A MORAL SENSE THAT CONSIDERS NOT ONLY MY PERSONAL WELFARE (FOR I CAN NOT LIVE MY LIFE ALONE), BUT THE WELFARE OF THOSE ABOUT ME. I WANT TO BE USEFUL AND NOT A BURDEN. I WANT TO ADD A MITE TO AND NOT SUBTRACT FROM THE EVOLUTION OF HUMAN WELFARE. I WANT TO BE WORTH WHILE."

H. G. S.

H. G. SCHMIDT

■ THE CLASS OF '36 EXTENDS TO THE BOARD OF EDUCATION THEIR SINCERE THANKS AND APPRECIATION FOR THEIR EFFORTS WHILE

MAINTAINING THE HIGH STANDARDS OF EDUCATION TO LOOK AHEAD FOR THE NEEDS OF THIS GROWING SCHOOL.

ART AND MUSIC DEPARTMENT

■ The beginning course in art consists chiefly of general problems design and color, although a few of the designs thus created are applied to simple crafts. This practice in design furnishes a basis for subsequent units such as commercial art, illustration, watercolor, home decoration and costume design, and for the various crafts—jewelry and metal work, leather tooling, weaving, carving, batik and block printing.

■ This year a new unit of work—clay modeling—was offered. Vases, bowls, and a variety of ceramics were modeled from the wet clay, glazed and fired into pottery.

■ Often the art classes work on projects for other departments. This year an entirely new set of interchangeable stage scenery was planned and painted. Sometimes the costumes used in plays are designed by the department, and posters and stickers are made for many additional events.

THE MUSIC DEPARTMENT

■ The courses that are offered in this department are theory, harmony, history of music and music appreciation. In applied music, instruction is given in the woodwind, brass, string and piano.

■ Edwin H. Peters directs the band, orchestra, clarinet, saxophone, French horn, flute, and cornet quartets.

■ Besides playing at all of the home football games, the band took part in many parades and civic functions. The band played assembly programs and also presented a successful concert on the night of March 13, featuring six of its members as soloists and also the clarinet, saxophone, and French horn quartets.

■ The Belleville Township High School Band tied Centralia for first place in the Southern Illinois Band Contest, held at Highland March 25. Forty bands competed in the contest.

■ At the Southwestern Illinois Solo Contest held in Edwardsville, April 4, the band soloists made a fine showing, fourteen placing first, fourteen placing second and eight winning third place honors.

■ The orchestra has given several programs during the year, including the Operetta Score "Lantern Land" and also furnished the music for the school play.

■ The Biology department offers courses in biology, botany, and zoology. The course in biology is required by all Freshmen and botany elective to Sophomores and zoology to Juniors and Seniors. Each course extends throughout the year.

■ These biological subjects are of great cultural value as well as of wide practical application. There is no person who does not come in contact with them daily in some of their phases. The home, the farm, the wayside, the wood, the lake, the stream and even the air contain living materials which are both interesting and instructive. Our furniture, our food, our clothing are largely of a biological nature. Our gardens, our lawns, our orchards, our field crops, our industries and our health are indispensable adjuncts of everyday life. Not only do they possess cultural and aesthetic values, but at the same time they represent much wealth. So significant and universal are the applications of biology in education and life that a study of these great branches of science has unusual educational importance.

COMMERCIAL AND SOCIAL SCIENCE DEPARTMENT

■ The Commercial Department is faced with a two-fold responsibility in education. First, to give the students a fundamental vocational training that will enable them to enter the commercial pursuits to support themselves according to a good standard of living. Secondly, to give the students the social and economic background to develop a knowledge of social conditions and needs, a consciousness of belonging to a cooperative society, and a sense of responsibility to that society.

■ To fulfill these obligations, a four year curriculum is planned in which vocational courses and social sciences are offered. The vocational work is as follows: two semesters of General Business training; eight semesters of secretarial studies, including office practice and advanced transcript; five semesters of bookkeeping including cost accounting and bank accounting; two semesters of fundamental business arithmetic; one semester each of salesmanship and advertising.

■ The social sciences offered include one semester's work in each of the following subjects: Commercial Geography, Commercial Law, Economics and Sociology.

■ The importance of speaking one's native tongue is so evident that the number of English credits necessary for graduation is greater than for any other subject. Not only local agencies but the state law and boards for college entrance have set the requirement at four units.

■ The English courses have three aspects: reading, writing, and speaking. The aim in reading is to teach comprehension and appreciation of literature. Special reports are made, both on the classics and on modern books, so that the pupil may acquire habits of reading.

■ Composition and grammar are being taught with care as to their practicability. A special course is given in journalism in English 7, and a special course in composition for college entrance in English 8.

■ Although the English course includes specific exercises in oral composition and a special course in public speaking in English 7, correct speech is emphasized daily in all department.

HISTORY DEPARTMENT

■ To understand the present and to be able to predict the future, we must know something about the past. Then only is true appreciation of human progress made a reality. To this end the state department has recently increased the requirements for graduation to two full years.

■ This department has made every attempt to keep up-to-date. To accomplish this, several sets of fine wall maps are now to be found in every room, as well as much supplementary reading material. Every effort is being made to make the work interesting to the students and helpful to them in later life.

■ Increased enrollment in this department has been as rapid as the growth of our school. At present the classes are all large, and an enlarged department to take care of its ever increasing enrollment has become a necessity.

THE MODERN LANGUAGE DEPARTMENT

- The department offers at present comprehensive courses in the principal modern languages having definite values as purely High School courses as well as foundation work to the study of languages in University work. German and French are offered as two-year courses each in Freshman year. These languages have a very direct value in scientific studies and are recommended for students who desire to enter broader scientific fields, such as medicine and engineering. The German and French must be followed for two consecutive years and no credit can be given for any semesters less than four. Spanish is offered as a two year course in the Junior year and has the same credit requirements. As a commercial value, Spanish is outstanding and with our trade expansion will prove a valuable asset. After four credits in any one language have been completed, additional credit may be earned by taking two or four semesters of the same or another language.
- The teaching staff of the Modern Language Department is well qualified to give this background as all have either lived in those countries or have visited them. A speaking knowledge is thus able to be taught.
- Correspondence with natives is secured and clubs in any one of the languages will gladly be formed.

THE LATIN DEPARTMENT

- Latin is the one language in the curriculum of the Belleville Township High School in which a student can offer a major as a University entrance requirement. Four years of Latin are taught in our school. In the first year the student lays the foundation for the future study of the language by learning forms and fundamental principals of grammar. Also in the first year some time is devoted to the translation into English of short lessons based on events of Roman history.
- Julius Caesar's life and his commentaries on the Gallic war form the basis of study in the second year. Roman customs, religion, history up to 44 B.C. are studied in detail.
- The third year is spent in translating Cicero's works and in studying this great orator's life. Translation of sentences into Latin forms an important part of this year's work.
- The fourth year finds the student prepared to follow Aeneas on his seven-year voyage, prepared to read in the original, the immortal epic which has been the source and model for so many writers since Virgil's time.
- In the Latin Club, which meets once a month, vocabulary, customs, forms are studied more informally than in the class room. In the club these essentials are studied by means of card games, cross-word puzzle, informal discussion, and short plays.

MATHEMATICS AND PHYSICAL SCIENCE DEPARTMENT

THE DEPARTMENT OF MATHEMATICS

■ Mathematics, as it should be taught in High Schools, is both useful and necessary as a preparation for acquiring other useful knowledge and a helpful daily tool in most life situations. Arithmetic problems need but brief explanations or comment. They are conspicuously social; they are industrial, economic, governmental and scientific. In today's language, mathematics is a core-subject.

■ Though its field may be condensed to the electron or expanded to the cosmos, mathematics humbles itself to clarify, systematize and perhaps measure nearly all human affairs. Its problem material contains budgets, balance sheets, and manifold percentage applications, such as interest, stocks, bonds, taxes, insurance and annuities. Graphs depict vividly all types of statistics. These curves even share with the theory of probability the role of prophesy. How can chemistry or physics be studied without formulas, equations or graphs? How any educated person can possibly overlook the role mathematics has played, and is playing in the progress of our civilization is beyond comprehension.

■ The Department of Mathematics offers an eight-semester course as follows: Elementary Algebra I and II, Plane Geometry III and IV, Advanced Algebra V, Solid Geometry VI, Trigonometry VII, and College Algebra VIII.

THE PHYSICAL SCIENCES

■ Three courses in physical sciences are offered to the students of the high school. A year's course in physiography is offered during the second year. This course gives to the student a better understanding of the laws of nature as they affect the lives of men on this planet. The laboratory is well equipped for this purpose.

■ Chemistry is offered to students in their third year. A year's work in algebra is a prerequisite. The course is designed to teach the laws of chemical changes as they apply to everyday life. The laboratory is designed to teach some of the simpler methods of scientific investigation and deduction. The course is cultural as well as college preparatory.

■ Fourth-year students may take physics, provided they have had courses in algebra and geometry. The course is designed to teach the principles of simple machines, and especially of magnetism and electricity. In this day of so much electrical apparatus in the home, it is a very practical course for girls as well as boys. New apparatus is added each year in order to keep the laboratory equipment up to date.

INDUSTRIAL ARTS DEPARTMENT

■ The Industrial Arts Department offers work in Mechanical and Architectural Drawing, Wood Shops, Machine Shops and Auto Shops. Students majoring in Industrial Arts Education are required to take two years work in drawing, two years work in any of the shops, which may be selected by the student and at least one semester in each of the other shops. A fifth semester may be taken in wood shops which include pattern making.

■ Shop courses are unit courses, a year's work being required for a unit and a credit toward graduation. However, a unit may be made up of two different shop courses.

HOME ECONOMICS DEPARTMENT

■ Home Economics for 1935-1936 includes two semesters of Foods, four semesters of Clothing and two semesters of Homemaking. The classes in Foods are taught by Misses Alexander and Schmisser, Homemaking by Miss Alexander, and Clothing by Misses Schmisser and Neubauer.

■ The aim for the Homemaking course is to prepare students for better home living and to teach them to be good future homemakers through the study of the home and family, home management, health and care of sick, and child care and child training.

■ The aims for the Foods course are to teach the proper selection, preparation, and serving of wholesome, foods and their relation to health.

■ The aims for the Clothing course are: 1 To help girls to become independent in planning and selecting attractive and becoming wardrobes, and suitable household furnishings carefully and economically.

2. To teach the construction of tailored and attractive garments. 3. To teach girls to be well-groomed at all times. 4. To teach girls how to keep their garments in good repair, clean and neatly pressed. 5. To teach how old garments may be remodelled into attractive garments.

■ The aim of the entire Home Economics program is to help students become good homemakers and good citizens.

PHYSICAL EDUCATION DEPARTMENT

■ Physical training in the High School gives the pupil the opportunity to indulge in self-satisfying, interesting activities, which will develop organic vigor and motor control. It plays a large part in the development of the pupil as a social being and gives ample opportunity for the development of leadership, cooperation and sportsmanship. An adequate knowledge of body structure is necessary to a complete understanding of exercise, its reasons and effects, and for the formation of good health habits.

■ The desire to indulge in some kind of physical stunts is inherent in most people, but this desire must be directed into the proper channels. In some cases, however, it is necessary to overcome a certain amount of physical lassitude and timidity to create an interest in play and physical activities and to actually teach pupils to play. In securing this interest, such pupils are given every opportunity to achieve a certain degree of success in physical activity.

■ Yearly physical and medical examinations are given to every pupil, and he is shown the value of such periodic examinations so that he will willingly continue the practice. These examinations are placed at the beginning of the Sophomore, Junior and Senior years.

■ Classes are organized into sections and section leaders are appointed. Leadership is developed not only in the section leaders, but within the sections by giving the pupils opportunities to handle groups in activities and games, and, perform such duties as may fall within their abilities and capacities.

LIBRARY DEPARTMENT

- JESSELYN GRIEVE, A.B., B.S.
Illinois University
McKendree College
(Library Science and Eng.)
Belleville, Ill.

■ At the close of the first semester, 1935, the Library was moved from the Administration Building to the second floor of the Library Building. This spacious new room now seats one hundred eighty students and houses five thousand five hundred books. The interesting pictures on the wall were presented by the Class of '34.

■ A course in Library Practice (allowing from one-half to one-tenth credit) is offered each hour of the day. Any student who has the consent of the Principal and the Librarian may enroll. These students become library assistants who attend to the circulation of books and magazines, check attendance, and help students less familiar with the library. They learn to use the card catalog, World Almanac, dictionaries, and other ready reference books. Those who intend to go to college or wish to become acquainted with library methods will find this course practical.

BOOK THREE

CLASSES

■ NOW TURN WITH US THE
PAGES AND FOLLOW THE
STUDENTS—THESE FILL OUR
CLASSROOMS—ENDURE THE
DULLNESS—ACCEPT THE
WISDOM OF INSTRUCTORS—
YEARS OF JOYS AND HEART-

ACHES — OF HOPES AND
SHATTERED DREAMS — OF
COMRADSHIP, CLASSES AND
ACTIVITIES — AND STUDY,
TOO, PERHAPS. MAY PLEAS-
ANT MEMORIES OF THE PAST
AND PRESENT EVER LINGER
NEAR OUR HEARTS.

HISTORY OF CLASS OF '36

■ THE CLASS OF '36 LOOKS BACK WITH DEEP EMOTION AND A GENUINE FEELING OF HAPPINESS AND SATISFACTION UPON THE FOUR YEARS WE HAVE SPENT IN BELLEVILLE TOWNSHIP HIGH SCHOOL.

■ AS WE LOOK BACK THROUGH THOSE SHORT FOUR YEARS, WE RECALL MEMORIES THAT WE, INDIVIDUALLY AND AS A CLASS, WILL NEVER FORGET.

■ NOT LONG AGO WE WERE SILLY, AWE-STRUCK FRESHMEN, EMBARKING UPON A GREAT JOURNEY THROUGH THE FIELD OF KNOWLEDGE. NOW, WITH WISE AND WILLING GUIDANCE, WE HAVE COMPLETED OUR JOURNEY AND ARE IN EVERY RESPECT BETTER EQUIPPED TO LIVE OUR FUTURE LIVES.

■ SO IN OUR VICTORY, WHICH IS ALSO OUR FAREWELL, WE SHALL SAY TO THE FACULTY AND TO THE STUDENT BODY GOODBYE AND GOOD LUCK.

DEAN McKINLEY,
Secretary-Treasurer.

HISTORY OF THE CLASS OF '37

■ Our High School days are nearing completion. Our Freshman and Sophomore years are in the background, serving as memories of our first two years in our High School career. We are nearing the end of our Junior Year and within a few weeks we will bear the title of Seniors.

■ The outstanding events in the life of a Junior are: The selection of the Junior rings, the June Jamboree and finally the climax, which is the Junior-Senior Prom.

■ We elected Tom Dunck as President and "Sis" Ottwell as Vice-President to lead us throughout our Junior Year. Under the guidance of Mr. Hexter, our Sponsor, our Junior activities have been a success.

Edith Beineke, Sec.-Treas.

HISTORY OF THE CLASS OF '38

■ We, the class of '38, have now attained the second step in our goal toward graduation. We could not have come as far as this without the excellent backing which we received from the faculty and to them we sincerely extend our gratitude.

■ We have in our class a number of athletes who should go far in their field. We are honored not only to have several very good musicians but also the girl who won last year's principal's medal.

HISTORY OF CLASS OF '39

- One fine day, September 6th, a new group of "Freshies" arrived at B.T.H.S.
- Everything seemed different to most of us and the first day we had quite a time.. After that things went more smoothly.
- The first thing we did was to elect officers under the direction of Miss Fischer.
- Two months later we were called upcn for an Assembly Program which we gave in the form of an "Amateur Television Hour in 1985". Marvin Klotz, talented crooner won first place.
—Bill Farthing, Sec.-Treas.

HEARTS.

FOOTBALL

First Row—Worshum, Heisler, Saeger, Becker, J. Geolat, Hoehn, Baltz, McKelvey, Geolat, Schlosser, Baltz, Grandcolas, Hicks, Julius, Wenzel.
 Second Row—Stevenson, Duff, Zogg, Gansman, Schlosser, Johnson, Bloomer, Kelly, Diaber, Harper, Wilderman, Meng, Daley, Merker, Kern, Alberter, Burnette, Coach Tabor, Kantski
 Third Row—Corwin, Brethauer, Fischer, Oelrich, Johnson, Hoffman, Herzog, Keck, Greene, McKelvey, Mullett, Reister, Smith, Mgr.

Coach Tabor

■ Coach Tabor came to us from Benton and in his first year he took practically the same team that finished the preceeding year and made a second-place winner from it. From his first showing great things are expected of him.

FOOTBALL SQUAD

WILBUR "Moose" SAEGER
Age, 18—Weight, 243—Height, 6 ft.

■ Saeger was the only Maroon to get a place on the all-conference team that the coaches pick. "Moose" used to rip through the line and smear the opposition behind the line and then get up and dare them to try it again. Saeger was always talking it up and trying to put the life in the team. Saeger will be greatly missed next season due to the fact that he graduates this June.

JEROME "Jerry" GEOLAT—End
Age 17—Weight, 175 lbs.—Height, 5 ft., 11 in.

■ In his first year as a football player "Jerry" earned a regular birth on the Maroon squad and although his work was never outstanding he could always be depended on. His work will be missed next year because of graduation.

WILLIAM "Harpo" HARPER—Guard
Age, 16—Weight, 146—Height, 5 ft., 8 in.

■ Although not a starter, Harper was almost always sure of getting into the game, and while going through and stopping the man behind the line wasn't his specialty they very seldom got past his position. Harper will be one of the men returning, around which the team will be built.

RUSSELL "Chick" HOEHN—Tackle
Age, 18—Weight, 190—Height, 6 ft., 1 in.

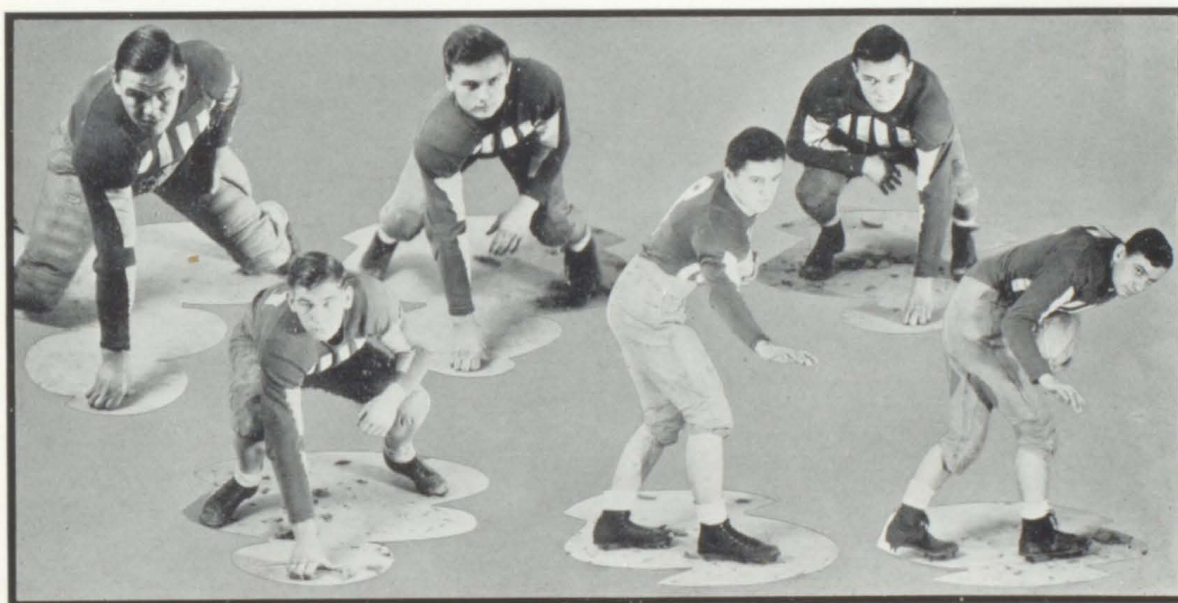

■ This was "Chick's" second and last year on the squad and his work was very creditable. He teamed with Saeger to form one of the toughest tackle combinations in the conference. "Chick" will leave a hole that will have to be filled because he graduates this June.

SYLVESTER "Fat" GEOLAT—Half-back, Co-Captain
Age, 19—Weight, 190—Height, 5 ft., 10 in.

■ "Fat" was hurt in the beginning of the Alton game and was out for quite a while, but when he came back, he really came back, as was shown in the Granite City game in which he scored the first touch-down for the Devils and also gained more ground in the second half than anyone else gained in the whole game. "Fat" also will graduate this June.

JOHN "Johnny" SCHLOSSER—Quarter-Back
Age, 19—Weight 133—Height, 5 ft., 7 in.

■ "Johnny" was the smallest man on the squad but what he lacked in size he made up in speed and could that boy side-step and squirm. "Johnny" was the safety man and he could always be depended upon to run the ball back about ten yards at least.

Saegar

Hoehn

Geolat

Geolat

Harper

Schlosser

FOOTBALL SQUAD

Spoeneman

Daley

Baltz

McKelvey

Heisler

ARTHUR "Art" SPOENEMAN—Center
Age, 16—Weight, 160—Height, 5 ft., 10 in.

■ "Art" did not start the season as the regular center but proved he could handle the assignment, as was shown when Becker was shifted to the backfield. "Art" took over the job and played so well that Becker was not immediately shifted back to the position he vacated. "Art" will be lost to the team.

WOODROW "Woody" BALTZ—Guard
Age, 18—Weight, 163—Height, 6 ft.

■ "Woody" was on the track team and proved to be one of the fastest men on the field and this helped him greatly when he ran interference. "Woody" helped very much to form a strong center wall on the Maroon team. Woodrow is another man that will be missed when football starts again as he too graduates.

RALPH "Scoop" HEISLER—Half-Back
Age, 17—Weight, 172—Height, 5 ft., 11 in.

■ "Scoop" was the star place-kicker on the Maroon team last fall and very seldom did he fail until his leg was hurt. "Scoop" was also a passer as well as a kicker and he greatly helped the aerial attack of our school. Coach Tabor will have to seek someone to fill the gap left open by "Scoop."

DONALD "Don" DALEY—Quarter-Back
Age 17—Weight, 155—Height, 5 ft., 11 in.

■ "Don" is Irish, as his name and play indicated. "Don" took things fairly easy until they got him riled up, then he went into a fury and things really flew. "Don" will also be lost to the team next year.

RALPH "Mac" McKELVEY—Full-Back, Co-Captain
Age, 18—Weight, 193—Height, 5 ft., 11 in.

■ "Mac" was the outstanding line plunger of the Maroons last fall and when he hit that line it splattered. He was the only member of the team to be awarded a place on the second all-conference team. His scrappy spirit helped carry the team through. "Mac" will graduate this June.

FOOTBALL SQUAD

WILSON "Willy" BALTZ—Guard
Age, 18—Weight, 160—Height, 5 ft., 11 in.

■ Wilson held down the other guard position on the team last year and did a fairly good job of it. Although very bashful off the field you would never know it when he gets in there and starts to fight. Wilson will not be back next year.

OLIVER 'O'llie' BURNETTE—Center
Age, 16—Weight, 165—Height, 6 ft., 1 in.

■ "Ollie" was the third-string center but when injuries hit the team "Ollie" took over his job and played like a veteran. "Ollie" is one of the three returning lettermen that will see service next year.

FRED "Betts" ALBERTER—End

Age, 19—Weight, 180—Height, 6 ft., 1 in.

■ "Betts" would never wait for his man but would always charge in and get him behind the line. "Betts" was a good pass receiver and will always be remembered as the man that caught the pass for the only score against the Alton Hilltoppers. Fred will be lost to the team due to graduation.

JOSEPH "Bud" BECKER—Center
Age, 17—Weight, 190—Height, 5 ft., 11 in.

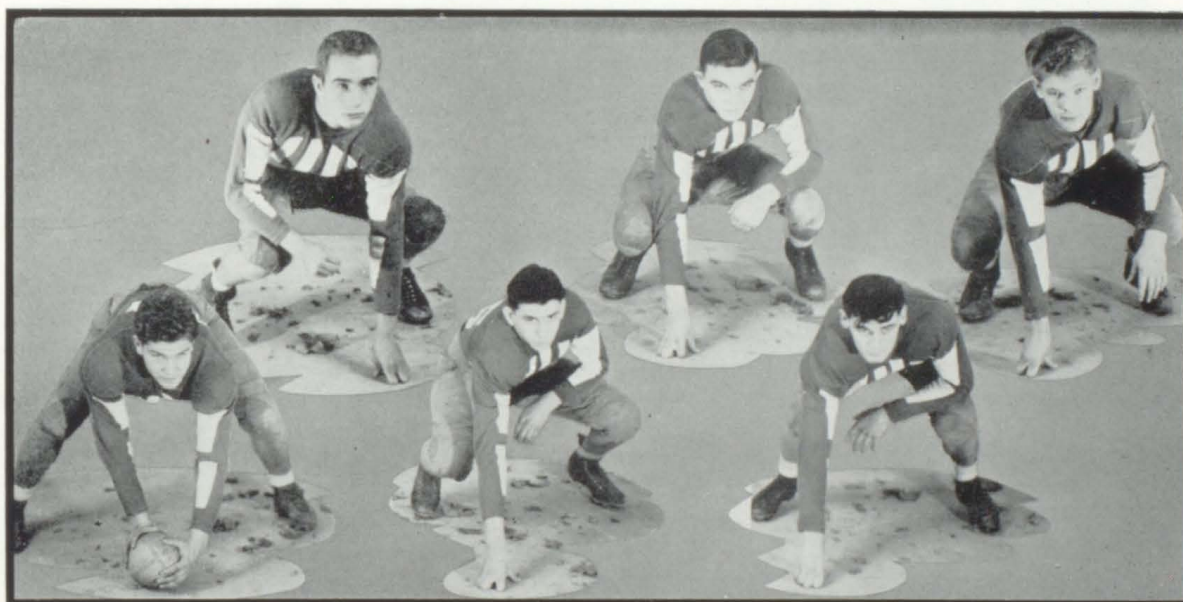

■ "Bud" started the season as the regular center but after the Alton game he was shifted to the back-field and it did not take him long to learn to play his new position. "Bud" played consistent ball and rose to his peak in the East Side game. "Bud" is another member that will not be back next year.

WILLIAM "Bill" KERN—End
Age, 17—Weight, 180—Height, 6 ft., 2 in.

■ "Bill" was not a regular but was almost sure of seeing service in every game and he was the boy who caught the pass way down in the end zone in the Madison game that brought about a victory. "Bill" finishes this June and therefore will not be back next year.

FRANCIS "Pat" KELLY—Full-Back
Age, 18—Weight, 155—Height, 5 ft., 11 in.

■ "Pat" was one of the boys that made the regulars fight to keep their position on the team for when they let down he was always there to take their place. "Pat's" specialty was the defense and could he hit those boys? Kelly's name will not be seen in the line-up next year for this is his eighth semester.

BELLEVILLE 19, KIRKWOOD 0—SEPT. 21

■ With the temperature indicating anything but football weather, the Maroon and White Devils won their first game by a decisive score.

■ Only four minutes remained in the first quarter when "Fat" Geolat slipped through left tackle for 15 yards and the first score of the game. Heisler's try for the extra point was no good.

■ In the second quarter Belleville started a 55-yard drive for their second touchdown. With the ball on Belleville's own 45-yard line, Heisler made 8 yards off right tackle for a first and ten. "Fat" followed by going 14 yards for another first down and there Heisler took up the task and went 33 yards around right end for a touchdown. Lining up in kick formation, McKelvey, who was playing close man, took the ball and plunged over for the extra point. The half ended with the ball in Belleville's possession.

■ Both teams played a steady game of football in the fourth quarter, with neither team making any serious threats. There were, however, a few fumbles which marred the offense of both teams.

■ Kirkwood made their only threat in the fourth quarter when they worked the ball down to Belleville's 15-yard line where the Devils held and took the ball on downs. Geolat then made a beautiful 55-yard punt to clear the danger. Heisler intercepted a pass, and on the first play went 22 yards around left end, which was followed by McKelvey's 13-yard run around right end. Heisler completed a 10-yard pass to Schlosser and on the next play "Scoop" ran 15 yards over left tackle for the last score of the game. McKelvey fumbled and the try for the extra point was no good.

■ The game was a clean one with only four penalties being called, three against Belleville for 25 yards, and one against Kirkwood for 15 yards.

■ McKelvey, Becker and Hoehn stood out on the defense, with Heisler, Geolat and McKelvey standing out on the offense.

BELLEVILLE 20, BENLD 0—SEPT. 27

■ Playing their first game under the lights, the Devils proved they could win on a muddy field as well as on a dry one.

■ Belleville's first score resulted from a drive that started in the closing minutes of the first quarter.

■ With the Maroons getting possession of the ball, Heisler went over right tackle for 6 yards and then aided by a 5-yard penalty they made a first and ten. Geolat made 8 yards around left end, and Heisler added 5 more for another first down. McKelvey made 2 yards over center and then threw an incomplete pass. After several more incomplete passes, Heisler gained 4 yards through right tackle as the quarter ended.

■ On the first play of the second quarter, Geolat side-stepped and twisted 48 yards for a touchdown. Heisler's kick for the extra point was blocked.

FOOTBALL

- Towards the end of the half with Benld in possession of the ball, Wood attempted a pass which was intercepted by Heisler who ran 55 yards down to the 6-yard line from where Geolat took the ball around left end and over. McKelvey plunged over for the extra point.
- Early in the third quarter Belleville started another drive but for no score.
- Geolat made 10 yards over left tackle and then Schlosser went through center on a quarter back sneak for another 10 yards. Geolat followed with 2 yards around end, after which McKelvey hit the center of the line for 8. On the next play, "Mac" again hit center for 3 yards which was followed by Schlosser's duplicate of the same spot for 2 yards. Here Benld held, and the Maroons were forced to punt.
- After Heisler and Geolat had made 30 yards between them, Benld got hold of the ball and fumbled, Hoehn recovered for Belleville. Heisler made 7 yards, Geolat 2, Schlosser 7, and then McKelvey plunged 3 yards for the touchdown. "Mac" then plunged over for the extra point and the last score of the game.
- Belleville made 10 first downs to Benld's 5, but they were penalized 45 yards as compared to Benld's 10.
- McKelvey, Alberter and Hoehn stood out on the defense, with Heisler and Geolat being the outstanding offensive players.
- Wood was easily Benld's outstanding man both on offense and defense.

BELLEVILLE 27, COLLINSVILLE 0—OCT. 4

- Taking the kick-off the Maroons started a 64-yard drive that resulted in a touchdown within the first three minutes of play.
- Heisler started things by going 18 yards off right tackle for a first down. Geolat made 2 yards around left end and then McKelvey made 4 over center. Heisler took the ball and went 11 yards for another first down. After making still another first down, "Mac" ploughed 18 yards through center for a touchdown. Heisler converted the extra point from placement.
- With McKelvey and Geolat doing most of the ball carrying, two passes, one from Schlosser to Jerry Geolat, the other from Heisler to Alberter, and Heisler's plunge of 3 yards, Belleville scored again and Heisler again added the extra point.
- The Maroons came back strong in the second half and scored twice, once in the opening minutes and then again near the close.
- McKelvey intercepted a pass and ran 28 yards for a touchdown but was called because Belleville was penalized for clipping. Geolat picked up 5 yards through left tackle and then threw a 20-yard pass to Albertetr who stumbled across the line for the tally. Schlosser's kick for the extra point was blocked.
- Belleville kicked to Collinsville and on the first play Kelley intercepted a pass and ran down to the 12-yard line before he was stopped. Geolat made 4 yards and then on two tries "Mac" made the required ground for the first down. Schlosser took the ball over from the 2-yard line on a quarter back sneak and Geolat kicked the extra point.
- Belleville sent in quite a few subs but Collinsville never threatened.
- Belleville outgained Collinsville by 17 first downs to 4 and was also penalized 100 yards to their victims' 5.

ALTON 24, BELLEVILLE 7—OCT. 11

- Playing their second conference game of the season, the Maroon and White Devils of Belleville were defeated by Alton, last year's champs.
- Neither team could do much until late in the first quarter when Anderson, All-State half back from Ohio, ran 35 yards off tackle for the score. Alton's try for extra point was no good.

FOOTBALL

■ A punting duel followed during which the Maroons got possession of the ball, and on the first play threw a 20-yard pass to Alberter which was incomplete because of interference. On the next play, Alton intercepted and took to the air for their second touchdown. A 25-yard pass with a lateral put the ball on about the 5-yard line, from where Bennette plunged it over. Again the kick was no good and the half ended 12-0.

■ Starting the second half, the Maroons looked like a new team. After two plays they had to kick but recovered the ball when an Alton man fumbled. McKelvey made 4 yards over center and then threw a pass to Alberter, who fell across the goal line as he was tackled. Heisler's try for extra point was good, decreasing the lead to six points only to have Bennette a few minutes later from the 1 foot line.

■ With the ball on the 50-yard line in Alton's possession, Anderson ran around right end behind beautiful interference for 50 yards, and what proved to be the last score of the game.

■ In the closing minutes of the game Belleville tried a number of passes but could not complete any.

■ "Fat" Geolat, one of Belleville's chief ground gainers, was hurt on the fourth play of the game but stayed in up to the quarter, as his kicking was a big factor in the Maroon defense.

BELLEVILLE 20, WOODRIVER 6—OCT. 18

■ Belleville easily outclassed their opponents to win their third conference game.

■ Taking the kick-off, the Maroons marched 30 yards before they were forced to kick which Alberter downed on the 1-foot line. Eberhardt, back in the end zone in kick formation, missed the ball, giving Belleville an automatic safety.

■ Schlosser received a punt on his own 40-yard line and ran the ball back 30 yards before he was brought down and then the Maroons started a 30-yard drive for their first touchdown. Heisler made 5 yards over center and then Belleville fumbled, but Alberter recovered for a 4-yard gain. "Mac" hit center for 2 yards and a first and ten. Then Heisler picked up 6 yards through tackle and "Mac" again hit center for 3 yards. Heisler followed in the same place and gained 2 yards for a first and ten. In two tries McKelvey made 5 yards and then "Scoop" went the remained of the way for the score. His try for the extra point was no good.

■ Belleville scored twice in the third quarter on drives of 60 and 45 yards. McKelvey went around right end for 15 yards and in two plays "Mac" made 12. Schlosser then faded back and threw a 26-yard pass to Heisler. McKelvey made 5 over left tackle and then "Scoop" went wide around his own right end for eleven yards and the touchdown. Again his kick was no good. Schlosser intercepted a pass to start the second drive and then Heisler made 15 yard on two plays. Schlosser made 20 yards around left end, Heisler made 1 over left tackle, and Schlosser again went around left end, this time for 9 yards and a touchdown. Heisler again missed the kick for extra point.

■ In the fourth period Woodriver scored, due to three passes that were good for a total of about 60 yards, the last of which was from Hudson to Eberhardt for 20 yards and the visitors' lone score.

■ Belleville out-rushed their victims by making 17 first downs to 5, but was penalized 30 to Woodriver's 5.

BELLEVILLE 13, ST. LOUIS U. HIGH SCHOOL 0—OCT. 25

■ Play in the first half was loose on the part of both teams, with neither team having the edge on the other and both teams making three first downs. Belleville had to kick five times while St. Louis U. had to kick but three.

■ In the second half "Moose" Saeger recovered a fumble on St. Louis U.'s 14-yard line. Heisler made 4 yards around right end, and Schlosser went down to the 1-foot line from where Daley carried it over on a quarter back sneak. Heisler's kick for the extra point was good.

■ In the last period Schlosser passed to Kelley for 12 yards and then went around left end for 5. Heisler made 6 yards through right tackle to put the ball on the 8-yard line and then threw a pass to Schlosser for the touchdown. This time the kick was no good.

■ After a few minutes of play the game ended.

FOOTBALL

BELLEVILLE 6, CENTRALIA 6—NOV. 2

- Playing on a field that was covered with puddles of water, the Maroon Devils were held to a 6-6 tie by Centralia.
- Alberter blocked a punt in the first quarter and recovered for Belleville, giving them a break which they grabbed, and aided by a penalty, they put the ball on the 1-yard line from where Geolat took it over for a 6-pointer. Heisler who had been ailing for some time with a sore leg was put in the game to kick the extra point, but in kicking, hurt his leg again and the point was no good.
- Centralia worked the ball over on downs. Belleville fumbled on the second play and Centralia recovered the ball. The Maroons held for one down, and then Hails went 10 yards around right end for the touchdown. The try for extra point was no good and the half ended 6-6.
- Belleville had possession of the ball most of the second half, but could not score. They did, however, work the ball down to the 4-yard line in the closing minutes of play, but they were penalized and this stopped their drive and bid for a touchdown.
- McKelvey, Geolat, Becker and Alberter stood out for Belleville, while Hails was outstanding for Centralia.

BELLEVILLE 7, MADISON 0—NOV. 15

- Belleville emerged victorious in a battle to see who would be assured of at least a tie for second place in the final standing of the conference.
- In the first quarter, after Belleville had the ball down in Madison's territory, Geolat took the ball from center and ran as it were a line plunge, leaped in the air and threw a lateral back over his head to McKelvey who faded back and threw a pass to Bill Kern who caught it just before he ran out of the end-zone. Geolat kicked the extra point.
- The remainder of the game turned out to be a punting duel between Geolat and Charles Skinner, Madison's hope for an all-conference half-back, with Geolat getting the better of the argument.
- In the last half, Belleville got the ball down to the 1-foot line, but could not put it over so they resorted to a defensive game and held the Hubtowners scoreless.
- Both teams made three first downs during the entire game.
- Geolat, McKelvey, Saeger and Spoeneman were out-standing for the Maroons, with C. Skinner, although handicapped by the muddy field, being the star for the visitors.

BELLEVILLE 0, EAST SAINT LOUIS 0—NOV. 28

- Thanksgiving may mean Turkey to some people but to those around these parts it means the annual classic between two of the most bitter rivals, Belleville and East Side.
- For the first time since 1929 Belleville went into the game as a slight favorite which meant nothing in the final outcome of the game.
- Taking the opening kick-off Geolat returned the ball 15 yards after which the Maroons quickly made two first downs only to have to kick. Nothing exciting happened in the first quarter and the second turned out to be a punting duel between Geolat and Posage. One of Geolat's kicks went out on the 1-yard line which set East Side back considerable. In the closing minutes of play Belleville started to click and made three first downs in succession. McKelvey made 6 yards over right tackle and Geolat hit the same place for the necessary ground. Then Geolat made 13 yards around right and left end respectively. Geolat passed 22 yards to Daley as the gun sounded to end the half.
- As the second half started East Side also started and made two first downs to about Belleville's 4-yard line where the Maroons held and took the ball on downs. Geolat kicked out to mid-field where after being thrown back for losses East Side tried to kick but Becker broke through and blocked the kick and then recovered for Belleville. This break meant nothing for Belleville was forced to kick on the third down.
- The Maroons started the fourth quarter off with a first down and after an exchange of kicks they made another first and ten only to have to kick again. East Side made two first downs on a pass and a run and when they attempted to pass again Belleville intercepted it. After they could not gain the Maroons kicked out on the 28-yard line. Two passes having failed a Flyer back ran the ball down to the 4-yard line where he was stopped by McKelvey. Gunn the East Side signal caller then called what most people considered a "boner." With first and goal to go the Flyers tried a pass which was intercepted by McKelvey. The game ended with Belleville in possession of the ball.
- A regular free-for-all came about after the game when everybody wanted the ball. A fight broke out on the field between the players of both teams which was finally stopped by the officials.

BASKETBALL

First Row—Tatt, Mgr., Lippert, Werle, Schlosser, Nester.
 Second Row—Meyer, Daley, S. Geolat, J. Geolat, Brauer, Coach Friedli.
 Third Row—Randle, Kelly, Merker, Schlessinger, Ropiquet, Duncan, Luke, Alberter.

Coach Friedli

■ Coach Friedli has been doing a fine job of coaching for 20 years. Although he has not always had the best teams he has made the best of the material on hand. His untiring efforts are brought out in the actions of his teams.

BASKETBALL

DONALD "Don" DALEY—FORWARD
Age, 17—Height, 5 ft., 10 in.—Weight, 155

- Daley was not a regular but played in most games and was the fighting Irish of Coach Friedli's team. "Don" was forced out by mid-semester graduation.

HAROLD "Pro" WERLE—FORWARD
Age, 17—Height, 5 ft., 5 in.—Weight, 140

- Werle was the smallest man on the team but he was one of the scrappiest. Werle could always be counted on for some points and a lot of scrap.

SYLVESTER "Fat" GEOLAT—GUARD
Age, 19—Height, 5 ft., 10 in.—Weight, 190

- Sylvester Geolat was a hard player and at times thought he was still on the gridiron and his opponents respected him for it.

NOLAN "Slats" SCHLESSINGER—CENTER
Age, 17—Height, 6 ft.—Weight, 145

- "Slats" started as a forward but after Luke's graduation was shifted to center where he played a steady game. "Slats" was rather short compared with other centers but his scrap pulled him through.

HAROLD "Lip" LIPPERT—GUARD
Age, 18—Height, 5 ft., 9 in.—Weight, 150

- Lippert showed his worth as a player when subing for Capt. Geolat. After four years of trying, Lippert has won his letter.

JOSEPH "Jim" NESTER—FORWARD
Age, 17—Height, 5 ft., 11 in.—Weight, 140

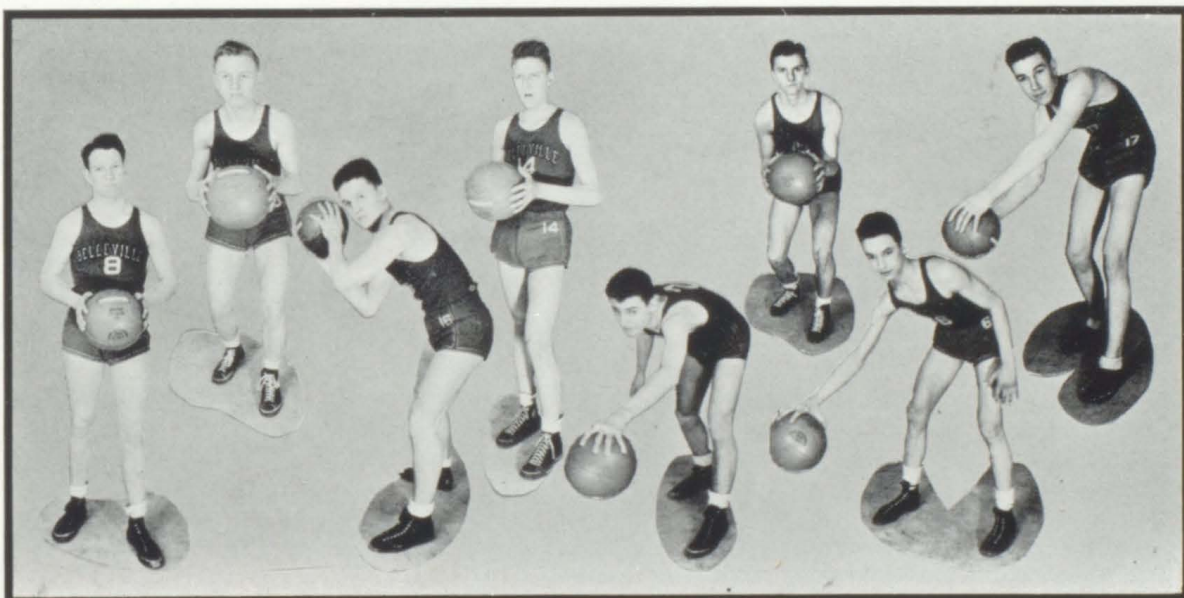

- Nester didn't play regularly till the last half but he made up for it by being the leading Maroon scorer in that round. "Jim" started as manager four years ago and worked up to a star.

JEROME "Jerry" GEOLAT
Age, 17—Height, 5 ft., 11 in.—Weight, 175

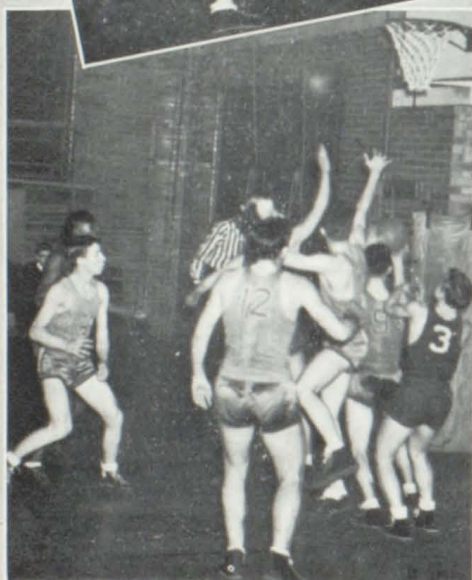

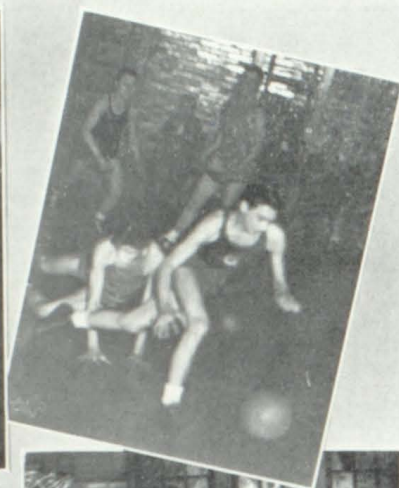

- "Jerry" Geolat, Captain. "Jerry" was easy going but a steady player and will be remembered for coming in the Mascoutah game after being sick and making the winning points.

KENNETH "Beebo" LUKE—CENTER
Age, 18—Height, 6 ft., 3 in.—Weight, 175

- Luke was the tallest man on the team and also the leading scorer up to the time he was forced out by mid-semester graduation...

Daley Werle S. Geolat Schlessinger Lippert J. Geolat Nester Luke

BELLEVILLE 17, MASCOUTAH 23—NOV. 14

■ Belleville opened their season at Mascoutah and went down to a 23-17 defeat at the hands of the Indians. The Maroons' defeat can be contributed to the inability of Kenny Luke, lanky center of the locals, to hit the basket.

BELLEVILLE 32, FREEBURG 30—DEC. 7

■ In their first at-home game the Maroons were extended to win from the Freeburg mid-gets. Luke was hot and helped greatly in putting the marker in the win column for Belleville.

BELLEVILLE 25, GRANITE CITY 31—DEC. 20

■ Although defeated, the Maroons could not help feeling somewhat happy as they were defeated in a close game by last year's champions. This was only the second game of the season for the Devils and their combination was still rather new.

BASKETBALL

BELLEVILLE 20, MARISSA 10—DEC. 21

■ The Maroons made two trips that night. One to Marissa and the other in tripping the Marissaites. The whole team worked together and had most pleasing results to show.

BELLEVILLE 27, CATHEDRAL 23—JAN. 3

■ In trying to keep their record of being the city champs Belleville had to put off a desperate last-quarter rally by the Crusaders. This gives the Maroons an edge that they will need because the next time they play Cathedral they will be without the services of Luke, Daley and Kelley.

BELLEVILLE 33, LEBANON 24—JAN. 4

■ Luke was the main cog in the Maroons' machine this night and ended up with slightly fewer than half the points while holding Harmon, leading scorer in the Cahokia conference, to about four points. This brought the Devils' record to four wins and two defeats and a winning streak of four games.

BELLEVILLE 27, ALTON 25—JAN. 10

■ The Maroons continued their winning streak at the expense of the Alton Redbirds. The regular playing time ended with the score tied at 21 all and the first extra period ended with the score 23 all. In the last period Schlessinger and Luke hit the mesh for the Maroons while Alton garnered only two points.

BELLEVILLE 15, LEBANON 21—JAN. 11

■ The Greyhounds came here with the intentions of stopping the Devils' winning streak which they did. This time the tables were turned and Harmon was the leading scorer while Luke was just another basketball player on the floor.

BELLEVILLE 22, COLLINSVILLE 35—JAN. 17

■ This was the mildest game these two schools have played for about two years and the only instance when they came anywhere near their past behavior was when Evers, after struggling for the ball, threw it at Jerry Geolat. The game started out to be a good game but after the first quarter the Collinsville team made the game very uninteresting. Luke, although not as hot as he can get, made 10 points to lead the Belleville scorers.

BELLEVILLE 31, FREEBURG 26—JAN. 18

■ Smarting from their defeat the night before the Devils went out and tramped over the Freeburg Midgets to the tune of 31-25. Luke was hot this time and made eighteen points or over half of the Maroons' total points.

BASKETBALL

BELLEVILLE 30, MADISON 31—JAN. 24

■ The Maroons traveled to Madison and everything looked rosey going into the last minute of play and then Charley Skinner sank a field goal to spell defeat for the Maroons. Luke, playing his last game for the Devils, had nine points and was closely followed by "Slats" and "Fat" with 7 and 6 points respectively. Louis was high for the Hubtowners with nine points.

BELLEVILLE 34, MARISSA 22—JAN. 25

■ The next night Belleville acted very coolly to their guests from Marissa and sent them home with a stinging defeat. Luke and Daley, playing their last game for the Devils, turned out to be the high point men of the game with 14 and 7 points respectively. Coach Freidli used a total of eleven men trying to find some suitable men for his cagers.

BELLEVILLE 25, WOOD RIVER 29—JAN. 31

■ Coach Freidli tried his new combination for the first time and they fared fairly well. Schlessinger moved up to center and Duncan played the other forward position. "Fat" was high man as the result of nine markers. He and little Harold Werle were the two hardest players on the floor.

BELLEVILLE 23, GRANITE CITY 31—FEB. 1

■ Schlessinger, getting used to his new position, made eight points and Jimmy Nester, who went in the game as a sub, made five along with playing the best floor game. The game was hard played and rough with numerous fouls being called throughout the game.

BELLEVILLE 22, ALUMNI 31—FEB. 5

■ The big brothers came home the other night to give the Devils a lesson in playing basketball. This was another rough game and Captain Geolat and "Slats" came out on top for the youngsters with 8 and 5 points respectively while Hirth of the elders made 15 points. The score at the half was 21-8.

BELLEVILLE 40, EAST SAINT LOUIS 38—FEB. 7

■ In the most hectic battle of the present cage season the Devils defeated the East Side Flyers in an extra period. The game was fast and rough and two of the Flyers were rejected from the game on personal fouls. The game at the end of the regular playing time was 36 all. In the extra period "Slats" scored twice from the field and Gunn scored once for the Flyers. Werle and little Jimmy Nester, who four years ago started out as the manager, were high with twelve points each.

BELLEVILLE 25, MADISON 17—FEB. 14

■ Madison came to town with the idea that she was going to annex another victory to her string but the Devils took some action and as a result sent the Hubtowners home with a defeat. Jimmy Nester was high with eight tallies but was put out on personal fouls.

BELLEVILLE 16, CATHEDRAL 11—FEB. 15

■ In a very slow and poorly played game the Maroons retained their right to the city championship. The first half ended 6-5 in favor of the Crusaders and Schlessinger made all the points for the Maroons in the first half.

BASKETBALL

BELLEVILLE 25, EAST SAINT LOUIS 36—FEB. 18

■ The East Side Flyers pushed the Maroons into the cellar as the result of a stinging defeat. The game was moved up because of the District Tournament that was held over the weekend. Jimmy Nester, like in the previous game, garnered 12 points.

BELLEVILLE 18, COLLINSVILLE 26—FEB. 21

■ This defeat further pushed the Maroons into the cellar in a rough and tumble game. The Maroons played a poor game as the results show. "Fat" Geolat and Ed. Evers were high for their teams.

BELLEVILLE 14, ALTON 26—FEB. 22

■ Alton came to town with revenge in her eyes for an early season defeat at the hands of the Maroons. The game was hard and fast and when the final gun sounded the Hill-toppers were on the bigger end.

BELLEVILLE 15, WOOD RIVER 33—FEB. 25

■ In the last conference game of the season for the Maroons they were humiliated by the Oilers at Wood River. The game was rather slow and Freidli used quite a few men. Nester and Jim Randle were high for the locals with six points each.

REGIONAL TOURNAMENT GAMES

BELLEVILLE 21, MASCOUTAH 18—MARCH 4

■ Playing in the first round of the Regional Tournament weathered the storm and came out on top by a few points. The game was fast played and Captain Geolat who had been sick got in the game in time to put the spark in the team and also to score the points that won the game. Nester was high with six tallies.

BELLEVILLE 34, NEW BADEN 22—MARCH 6

■ Belleville trounced the Zebras in the second round game to advance to the finals. The Zebras depended on the hight of thir high scoring ace, Strothiede, to get their points. They would shoot long shots at the basket and expect Strothiede to follow up their shots. Schlessinger and "Fat" were high with ten points each.

BELLEVILLE 13, EAST SAINT LOUIS 18—MARCH 7

■ Two of the bitterest rivals met in the finals with Belleville being pushed to the floor. The Flyers employed the same offense as the Zebras in which they shot over the defense and had big Ed Posage flip them in from under the basket. This worked very well and Posage ended up with eleven points.

SECTIONAL TOURNAMENT GAME

BELLEVILLE 15, DU QUOIN 36—MARCH 11

■ Playing the pretournament champions the Devils were defeated to the tune of 15-36. Nester and Werle were unable to hit the basket and this hindered the Maroons considerable. Captain Geolat was high with five markers and Meyer was second with four. This game ended the 35-36 basketball season for the Devils.

TRACK

First Row—Smith, Groh, Wilderman, Nester, Werle, Becker.
 Second Row—Geolat, Lippert, Johnson, Schmidt, Baltz, Stocks, Baltz, Rees, Burnette, Merker.
 Third Row—Voght, Johnson, Mgr., Duncan, Wield, Grandcolas, Suppiger, Bonhard, Reister, Miller, McQuillan, Zimmerman, Ropiequet, Wegenscheide, Willis, Hicks, Coach Tabor, Pear, Wenzel.

■ The 1936 Maroon track team was hampered in the beginning of the season by cold and inclement weather but when the weather changed the Maroons got started and lost only one dual meet and that to their old rivals, East Side.

■ Outstanding achievements were made by W. Baltz who won the 440 at the district meet and the relay team composed of Stock, Groh, Geolat and Baltz which got second and entitled it to go to the state meet along with Baltz in the 440.

- MARGARET CRON.....TREASURER
- Miss LUELLA MUELLER.....SPONSOR

■ The Girls' Athletic Association was organized in 1928, the purpose of it was to interest girls in athletics, sportsmanship and health.

■ Four awards are given to the girls who earn them for their athletic ability. They are as follows: First, the arm shield; second, the letter "B;" third, an "I;" and fourth, a state emblem.

■ Sports are played here as follows: Hockey in the Fall, Basketball in the Winter, and Baseball in the Spring. This year Archery was also played during the Spring semester.

■ Play day is held twice a year in different districts and last October it was held in East St. Louis. The purpose of play day is to get acquainted with the many girls of different cities.

■ At the beginning of each semester, parties are given for the new members.

■ The club has sold basketball and football pencils during the Spring semester to raise money to send the girls to G. A. A. camp. The camp was held last June at Camp Vandeventer near Waterloo. Marjorie Medhurst and Dorothy Schlueier were the girls who represented Belleville at Camp Vandeventer.

HAPPENINGS THROUGH THE
CALENDAR—RECALLING THE
INCIDENTS OF THE PAST
YEAR — MEDITATING UPON

THEM IN FUTURE YEARS.
MAY PLEASANT MEMORIES
OF THE PAST AND PRESENT
EVER LINGER NEAR OUR
HEARTS.

CALENDAR

■ SEPTEMBER

- Sept. 9—School starts. First day at the bookstore. Girls first, boys!
- Sept. 15—Hesse washes dishes for a certain fem. Maybe he's around too often.
- Sept. 16—Miss Miller can't talk to class—four trains tooting on the side track.
- Sept. 17—Daley writes some nice poetry—discusses Rhein's at 1:50. Some baby!
- Sept. 18—Art teacher brings her own flowers. Some bunch of students!
- Sept. 19—Robert Seibert comes to class with no poetry. Miss Farmer said he wrote the poetry in the room.
- Sept. 23—Autumn begins and nobody knows it. Look on an old calendar if you don't believe it.

■ OCTOBER

- Oct. 4—Lenz's class raids a farmer's watermelon patch.
- Oct. 6—Hesse goes through a long dinner line twice. A certain blond just about got him.
- Oct. 11—Miss Fischer brings a real pear to class. She likes pears, boys! Need any good grades?
- Oct. 12—Kitty Cole falls up Auditorium steps—Sex marks the spot where four alert Freshmen nearly went blind.
- Oct. 14—New shop—one of the amateurs got his head under a descending hammer.
- Oct. 17—Second Hy-News—the boy's starting to improve.
- Oct. 18—Woodriver vs. Belleville. Look up the score—you have the date.
- Oct. 20—Anniversary of departing of our Johnny Karch.
- Oct. 21—Saeger gives Miss Johnson a chase with a mouse. Such a little brat!
- Oct. 22—Babies will play—Pyatt plays train on the blackboard with a bunch of rulers. Gal! Gal!
- Oct. 23—Miss Grieves pulls Wagner's hair. Ye Olde Cave Woman!
- Oct. 24—Flies in the Cafeteria chili. Another bowl for each fly! What a racket!

CALENDAR

■ NOVEMBER

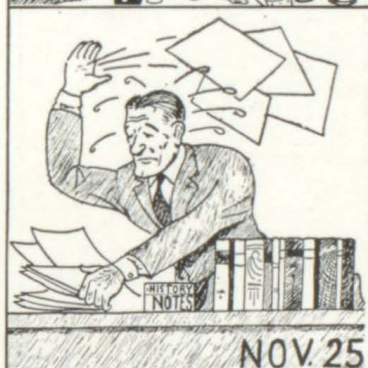

- Nov. 3—Mannle makes a singing class out of an English class. Close harmony—or something.
 Nov. 11—Armistice Day. Lots of flags.
 Nov. 15—Ask Thorne if Miss Farmer ever sat on a tack.
 Nov. 17—Belleville vs. Nudism—scores are somewhere in this book. Don't be lazy, look it up.
 Nov. 18—Harry, Jean and de Editor play Cap't Kidd. Oui, such a pirate crew.
 Nov. 19—Ned Reese holding hands with Monken. What a class! What a class!
 Nov. 20—Rhein and McKelvey all by their lonesome in an anteroom. First name is Edith.
 Nov. 20—Ain't love grand? Betty Lou K. admires Bob Montgomery in class.
 Nov. 21—Speaker gives a talk on peace. Interruptions by wars from the radio.
 Nov. 22—Onions float through the library. Ah, the fragrance of deah old spring is with us.
 Nov. 25—Somebody hocked Neb's watch. No class until valuable jewelry is found.
 Nov. 26—Miss Farmer makes Charley G. stand out in the hall. Bad Boy!
 Nov. 27—Grieves throws a wicked alarm clock. Time to leave.
 Nov. 28—Thanksqiving Day. So what!

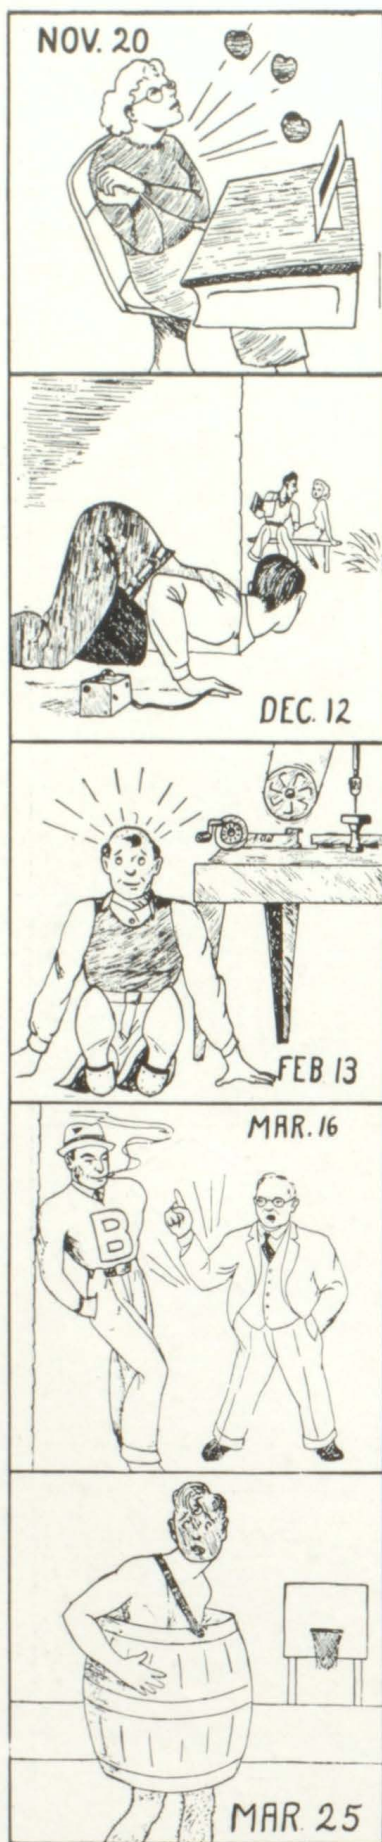

■ DECEMBER

- Dec. 6—Swede Johnson put his hand under the window. Keep your hands to yourself is the moral.
 Dec. 9—Pete goes into the office smoking a pipe. Some smoker, I'd say.
 Dec. 11—Art Marsh has a fight with some dizzy dame. Six rounds and nothing gained.
 Dec. 12—Bonhard burning up the film.
 Dec. 13—Charlie Angel had a date. Girl remarks later, "Oh, well, what's in a name."
 Dec. 16—Mathes and Stein kicked out of journalism. Hy-News improved, or worse?
 Dec. 17—Campbell comes to school with no tie. Breaking the bonds of convention. Bravo!
 Dec. 18—As usual! Bonhard looking for a good picture.
 Dec. 19—Thorne gets soused with water hose—pictures and Thorne both get washed.
 Dec. 22—Staff Room Banquet. Radio, eats, and all. Whoopee!
 Dec. 23—No school! Guess why.

■ JANUARY

- Jan. 7—Bob and part of Bellevinois staff skip out and go to town as usual. Where was Papa?
 Jan. 8—Herby S. bets another slip from the library! No book, no money, no peace.
 Jan. 9—English class sleeps while Miss Farmer reads funny stories. Somebody laughed—95% for the month.
 Jan. 10—Dog found sleeping in a coat in the English room.
 Jan. 13—Daley and Henniger role the bones in front of Miss Farmer's desk. Glasses would help Miss Farmer! Try some! Two far a quarter at the dime store.
 Jan. 15—Hartig sports a diamond on that fatal second finger--scandal!
 Jan. 23—Peters gets hit with a sandbag.

CALENDAR

■ FEBRUARY

- Feb. 3—Lougeay keeps up on the world with a telescope.
 Feb. 5—Cross and Glover, school detectives, catch an unusual amount of skippers.
 Feb. 10—Pupils skate from one building to the other. Some transportation!
 Feb. 13—Woodshops Twerp loses most of his hair on the machine belts.
 Feb. 23—Ouinguagisima Sunday—Believe it or not!
 Feb. 24—Pop Schmidt cleaning halls. Makes a good janitor at that!

■ MARCH

- Mar. 3—Kindred put on the spot with a mirror.
 Mar. 4—In the spring a young man's fancy turns to—Weidman kisses Hesse three times, boys!
 Mar. 10—Neb comes to school with a new hat. Whoopee!
 Mar. 12—Greismeyer and McKinley put on a wastebasket show for Papa in Staff Room.
 Mar. 16—Papa gives a lecture on no smoking. "It stunts your growth, boys!"
 Mar. 17—St. Patrick's Day—Pat Kelley wears no green.
 Mar. 18—Tree planting. Some shovel.
 Mar. 19—Mouse found in staff room waste basket.
 Mar. 23—Another sign of spring—Grieves all dolled up.
 Mar. 25—Boy deprived of his pants in the Gym. "Is my face red!"
 Mar. 27—Hexter and Rhein visit the big city. "How's it feel?" Now what does that mean?
 Mar. 29—"Zanie" comes to school with a bandaged ankle—says she fell out of a canoe. "That's her story."
 Mar. 31—Spring house cleaning in the staff room. Well, they say this is an age of miracles.
 Mar. 31b—Keeds chewing tobacco in school. Tsk! Tsk!
 Mar. 31c—What a day! The story is out that band members were dating married women while in Highland. Naughty boys! I thought it was a band contest!

■ APRIL

- Apr. 1—April Fools Day. Some fun!
 Apr. 3—Staff room wall painted—the one most important thing we were told not to do! Pop will never forget us!!!
 Apr. 6—"March of Time" reports popular music should be used in school. I wouldn't disagree with the radio, especially the "March of Time," would you Mr. Schmidt? Anyhow—"Time marches on!"
 Apr. 10—Griesmeyer rehearses operetta in staff room—then leaves for dancing lesson. Never thought it of him!
 Apr. 14—Hesse finds burnt potatoes in his sociology book.
 Apr. 26—Newest member of faculty—Peter Green Gunderson.

■ MAY

- May 1—Daley and Doris break up.
 May 1¼—Daley and Doris back together again.
 May 4—Dogmeat found in cafeteria's chile. We thought it tasted better than the usual water and bean mixture.
 May 8—Snappy Snappers dance.
 May 12—Jean & Ruth Jane climb 286 steps for \$1.00. My, how encouraging!

HOBO DAY

■ To heck with the Britisch!

I am happily honored by being here today as guest artist. I only regret that I have only one speech to give for my school.

In conclusion I would thank the janitor for cleaning the hall and also Prof. Schmidt in taking such unpersapped interest in the students which I think sets some sort of a record in the annals of this fair institution.

Also I would like to present Mr. Karch with this jug of crushed penguin blood, embillic of our most fond admirations for the reknowned scientist.

Will every one please rise while the football coach leads us in a last few minutes of prayer?

O gather us from the hands of the lowly and enlighten us on to greater hights for ours shall be the kindred of many forever and until, Amen.

We will now sing "I'se a Muggin'" while Mr. Gundy takes the collection.

PROF. X. Y. SNOOTZELPUTTSER,

Instructor of Cracked Cranniums at Alton Seminary
